

**Kalama City Council - Council Agenda Item
Information Form**

Agenda Item Number: - Unfinished Business

Meeting Date December 7, 2016

Prepared by: Coni McMaster, Clerk/Treasurer

Subject: Public Work Projects – 3 Items.

Summary: The 3 items under unfinished business are related to two Public Works Projects

A. City-Center Pavement Preservation – Final acceptance to the project is required now that the project is complete in order to complete the Close out documents.

B. Robb Road – Project Closeout – Rebid – Due to changes in the design required by BNSF, the project changed and the Contractor originally hired has agreed to closeout of the project. The City has put the project out to bid with a closing date of December 1 in order to meet the deadline imposed by the permits with the railroad.

C. Award the Robb Road Bid – Bids will be opened on December 1st and then the engineers will review and make recommendations as to the most qualified lowest bid. City can then award the bid to move project forward. Project is budgeted in 2017.

► **Draft/Suggested Motion:**

A. City Council accept the City-Center Pavement Preservation project as complete and direct staff to complete the final closeout documents.

B. City Council accept the final close of the Robb Road project with Integrity Excavating.

C. City Council award the bid to.....
