

Kalama City Council - Council Agenda Item Information Form

Agenda Item: 6B – Unfinished Business

Meeting Date: January 4, 2017

Prepared by: Coni McMaster, Clerk/Treasurer

Subject: Robb Road Water Main Extension – Award Bid

Summary: This is a re-bid of the project to bore under the railroad to connect the southern water system from the east to the west side of Interstate 5. The City has the permits from BNSF and needs to complete this project by March. Six Bids were received.

	Engineer's Estimate	\$252,018.00
1.	Tapani, Inc. (Battle Ground, WA)	\$282,604.8
2.	Clark & Sons Excavating (Battle Ground, WA).....	\$290,790.0
3.	Armadillo Boring, Inc. (Salem, OR)	\$306,945.0
4.	Trenchless Construction Services, LLC (Arlington, WA) ..	\$311,522.2
5.	Nutter Corporation (Vancouver, WA)	\$356,379.2
6.	Advanced Excavating Specialists, LLC (Longview, WA) ..	\$424,338.0

The City has an agreement with engineers Gray and Osborne to perform the Construction Management on this project based on the previous award. This should be renewed along with the authorization for Public Works management to be able to approve any minor change orders of less than \$10,000.

Recommendation: See Letter from Gray and Osborne, Inc.

Included in the Current Year's Budget **YES NO If No – Fiscal Impact:**

► Draft/Suggested Motion: The City Council award the bid for the Robb Road Water Main Loop to the lowest responsive, responsible bidder, Tapani, Inc. of Battle Ground, WA.

The City Council also authorizes the construction management be completed by Gray and Osborne for an amount not to exceed \$21,700 and allow for the City Administrator and/or Superintendent of Public Works approve change orders of \$10,000 or less to keep the project moving forward under the tight timeline.
