

City of Kalama

Incorporated 1890

Memorandum

Date: March 15, 2017
To: Kalama City Council
From: Mark Person, City Planner
Re: Ordinance (Plat Amendment and Zoning Interpretation)

City Council:

At their regularly-scheduled March 8, 2017 meeting, Kalama Planning Commission held a public hearing on the Marunhn Park site. The Commission reviewed, suggested changes, and recommend approval of the ordinance to amend a portion of the original plat near Marunhn Park and accepted staff's interpretation of this area deeded to Kalama from Washington DOT as being commercially (C-1) zoned. Staff recommends that City Council accept the recommendation of Planning Commission and approve this ordinance.
