Hello Kimberly,

I would like to clarify you application submitted from our website. Per the application it appears you applying for a City Council position. We do not currently have any openings on the Council and if we did Council positions are only able to be filled by citizens living inside the City limits. Councilmembers are elected by the voters of the City and would only be appointed if a seat becomes vacant between elections.

The City is currently filling openings on its Planning Commission and its Library Board, if you would be interested in those positions, please let me know.

The City appreciates your interest.

Thank you

Coni McMaster
