

Kalama City Council - Council Agenda Item Information Form

Agenda Item: 6A – FOLK – Program Requests

Meeting Date November 1, 2018

Prepared by: Coni McMaster, Clerk/Treasurer

Subject: FOLK – Request for Programs

Summary: FOLK has requested to use the meeting room and/or the Council Chambers to offer programs for the community. The movies for seniors is something the Library will sponsor based on that they do it for the children's programs and FOLK has the license to show the movies. The Fibre Arts program will require Council approval. The program would be for the public and would not be instructed. The meeting room policy states the space is available for "use by community organizations and groups that meet for a civic, cultural, educational or community interest purpose." Staff was not sure if the meeting for the Fibre Arts qualified or if it would be more of a social meeting and therefore is sending the request to Council for final decision. Staff did offer to add this to the Parks & Rec/Community Education classes, but FOLK did not want to have to charge for the sessions. See attached for additional information.
