City of Kalama Incorporated 1890

December 4, 2013

To the Mayor, City Council and Citizens of the City of Kalama:

The staff is pleased to present the 2014 budget and the 2014 through 2019 Capital Facilities Plan for the City of Kalama.

The City closes 2013 with a surplus in the General Fund between eight to nine percent of expenditures. This surplus is due to very conservative budgeting, aggressive cost control and active financial management of the departments. The surplus for the General fund is allocated to building the City's reserves in 2014. It is my recommendation the City target a reserve for all operating funds of 20% of annual expenditure. Including the 2013 surplus the City's General Fund reserve is currently just below 17% of the 2014 expenditures as proposed. Growth and economic activity do appear to be increasing during the last two years. While I am encouraged by the recent upswing and am optimistic about what the future holds for Kalama, I believe that continuing a stringent, fiscally conservative, budget is the best course of action for 2014. The staff has worked diligently to develop both estimates of needed expenditures and realistic forecasts of revenues.

Enterprise operations funds (sewer and water) were close to neutral with revenues equaling expenditures for 2013. The City of Kalama has capacity to expand its services and infrastructure. We continue to be challenged by the debt service requirements of the Waste Water Treatment Facility. The City did not increase sewer rates in 2013 nor do we propose to do so in 2014. This budget does provide for the City to conduct a rate study in 2014 for sewer and water services. Staff believes the rate study will provide valuable information allowing

us to plan and prepare for investment in the City's infrastructure. This budget also provides investment of water reserve funds for an infrastructure upgrade. The City has budgeted to replace a majority of the water meters in 2014. The new meters will decrease labor costs and increase accuracy associated with billing for City services.

Kalama is poised for growth. The City has seen a renewed interest in residential development inside its current jurisdiction. Additionally, two annexations were initiated in 2013. The "Chilton Annexation" of approximately 42 acres of rural residential property east of town is nearly complete. The "East Port Annexation" of 357 acres north of the City along Kalama River Road is pending. "East Port" has a future land-use designation of Mixed Use combined with a Recreational designation. The City's planners and staff have developed a progressive and flexible land-use code to increase Kalama's commercial base and serve as an economic generator for the community. The Mixed Use Code combines: Light Industrial, Office, Commercial and Multi-Family Residential uses on a horizontal development gradient which is administered under a new Master Plan process. Upon completion of both "Chilton" and "East Port" annexations the City will increase its jurisdiction by approximately twenty-two percent.

The City Staff and I look forward to serving our community in 2014

Adam Smee City Administrator

CITY OF KALAMA ELECTED & APPOINTED OFFICIALS 2014

Kalama is a code city managed under the **Mayor /Council** form of government, which consists of the Mayor and a five-member **City Council**, all elected by the voters. They strive to provide the Kalama citizens with services that make it a pleasant, safe, comfortable and livable community.

<u>MAYOR/COUNCIL</u> – Elected to 4-year terms. Meetings are held on First and Third Wednesdays of each month at 7 p.m. in the City Council Chambers at 320 North First Street, Kalama.

KALAMA

Kalama is a small City rich in history and long on community spirit. Incorporated in 1890, the City has been the County seat, was the western terminus of the Northern Pacific Railroad, and has survived fires and floods. easy to spend a day strolling the six blocks of the downtown core, exploring the many antique shops and grabbing a bite to eat at one of the many great restaurants. You can get information or check email at the Kalama Public Library. One can also take advantage of the walking path along the river, see the totem poles, take a break in the park, or throw a line in the water and see what bites. For those vampire movie fans, Kalama High School was the featured location for filming many scenes of the first "Twilight" movie. Come in August and enjoy the annual Untouchables Car Show where 300 plus classic cars are in attendance. On that same weekend join the Kalama Blues Festival for music and fun. The City operates a Community Building that can host weddings, parties, seminars, and other events. With Kalama's location at one of the deepest points of the Columbia River and the prime location of the railroad and Interstate 5, it is known as "where highway, rail and water meet." The river provides opportunities for industries and recreation. Convenient access to the freeway makes getting to the Pacific coast, the mountains, Portland, or Seattle all within a day's easy drive. The people of Kalama are what truly make the City a community, supporting school sports, community activities and each other. Many are life-long residents with generations having lived in Kalama, while others have come here to raise their families or to retire. While Kalama has grown in the last ten years through both development and annexation, it has retained the small town values and community spirit that makes Kalama a great place to live, work or visit.

OVERVIEW OF KALAMA'S 2014 BUDGET

While 2013 brought changes for the City with the hiring of a City Administrator/Public Works Director, it proved to be a year in which the City began to see some economic recovery with new residential construction and the proposal for annexation of the East Port property on the north end of the City. The City has begun the process for improving its codes with adoption of mixed use zoning and new small lot development criteria, to encourage both residential and commercial development in the future. These actions will continue in 2014, as we move to finalize the annexation, address code issues for large residential lot development, complete a water/sewer rate study, and look at planning to improve economic development opportunities in the downtown core of the City. The City will provide more customer service with a full-time clerk at the Police Department and the Finance Department fully staffed beginning in January. A new City webpage will be launched in 2014 with a focus on the entire community while encouraging tourism and promoting Kalama for the future.

PERSONNEL AND STAFFING

In 2014 the City of Kalama will have 18 full-time, regular part-time/on-call positions. This includes reinstating a full-time position in the Finance Department from parttime and making the part-time Police Clerk a full-time position. Union contracts were negotiated 2012 giving all bargaining employees raises at the beginning of 2014 based on the CPI which will

be 2%. Non-bargaining employees including part-time employees are receiving 2% raises in 2014 as well. Payroll costs to the City are reflected in the chart (including estimates for overtime) and the base salary schedule (Exhibit B of the Budget Ordinance, page 14) which splits the costs by each department and function of the City.

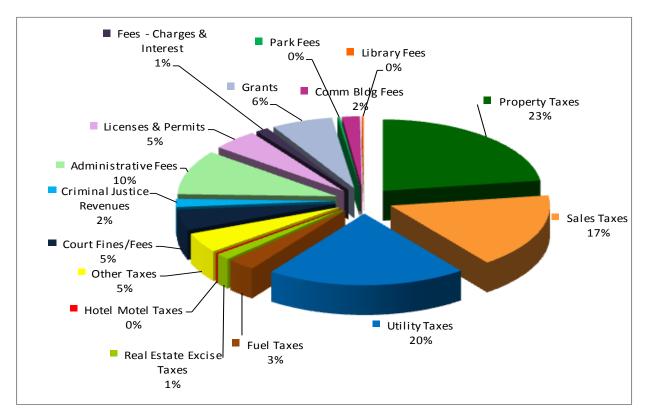

FINANCIAL INFORMATION

The City of Kalama is funded through revenues from local property and sales taxes, state funds including other taxes, grants, loans, and fees for services it provides to the public plus other miscellaneous revenues. The City is required to adopt its annual budget by December 31st of each year. Kalama also adopts a Capital Facilities Plan along with the budget which shows projects to be funded in that year's budget and projected forward for the next 6 years.

While the City does all it can to stay within the annual adopted budget, there are many things that can happen within the course of a year. If the revenues received are less than anticipated, then the affected departments will need to determine what expenditures can be cut. If an unexpected event occurs, one or all of the projects included in the budget may be replaced with one more urgent. All departments are expected to make adjustments to their individual budgets to stay within the revenues received and keep their total expenditures within the amount budgeted for the department. During the year unanticipated revenues and expenditures can require the City Council to amend the budget in order to authorize additional expenditures. A complete copy of the financial budget pages begin on page 33.

GENERAL FUND

This is the main operating fund of the City which includes revenues and expenditures not required by codes to be accounted for separately. Revenues include taxes, licensing fees, court fines, grant funding, and administrative fees.

Tax Revenues

Gambling taxes

Sales taxes
Sales taxes for criminal justice
Property taxes
Utility taxes on all utilities
Liquor taxes
Leasehold Excise taxes

Fees for Services & Other Revenues

Administration fees for Water/Sewer/Garbage/Streets

Building permits Business licenses Court fines and fees

Dog licenses

Planning applications

Grant funds

Miscellaneous fees

The City expends the General Fund revenues to provide services to its citizens as follows:

FINANCIAL SERVICES provides utility billing, business and dog licensing, completes the City payroll, receipts all City revenues and pays all the City's bills. The Clerk/Treasurer and the finance staff prepare the annual budget and reports for the State Auditor on the finances of the City as required by law. The Clerk/Treasurer also provides administrative support to the Mayor and City Council. The City staff provides answers to citizens' questions, requests, and complaints, working to provide for the needs of the citizens while balancing the legal requirements and fiscal responsibilities of City government.

police DEPARTMENT provides public safety by handling a wide variety of calls such as neighborhood disputes and domestic violence assaults and responds to all felony crimes within our City limits. With three officers, a sergeant, a police clerk, the Chief, and the drug dog "Amy" the department provides 24/7 emergency call response. The Department's officers also provide emergency backup to other law enforcement agencies through Mutual Aid Agreements. The Department's dedicated staff and their tireless efforts help to maintain this agency's professional image.

BUILDING AND PLANNING services include issuing building permits, providing inspections for on-going projects, working with developers and the Planning Commission on development code updates, future development projects, processing land use applications for the Commission or hearings examiner, and handling nuisance complaints.

ADMINISTRATION OF JUSTICE expenditures are for services related to court costs, criminal legal costs, jail costs, and criminal justice activities not directly related to the Police Department.

GENERAL ADMINISTRATION expenditures cover services for animal control, civil service, membership fees, legislative and executive expenses, civil legal services, publication costs, and insurance costs.

Administration of Justice

LIBRARY AND STREETS are funded by transfers of general fund monies to individual funds set up to account for these expenditures separately. See the details under Special Revenues.

PARKS MAINTENANCE includes the park utilities and maintenance work performed by the Public Works crew

SPECIAL REVENUES

These are funds set up to collect certain restricted tax and special revenues, or to account separately for certain expenditures, or to hold reserve funds.

STREETS & SIDEWALKS (Funds 101, 102 & 103) receives the transfers from the General Fund for street maintenance, the restricted fuel tax revenues, and private sidewalk contributions. All expenditures for the street maintenance and street and sidewalk projects are accounted for in these funds. The Public Works crew maintains the streets and stormwater systems through snow and rain storms as well as performs all City park maintenance. In 2013 the City has received grant approval for replacing sidewalk along Elm Street and completed the engineering. Construction will be completed in 2014. The City has also received approval of TIB Grant funds for the chip sealing of Military and Cloverdale Roads which will be completed in 2014.

CRIMINAL JUSTICE FUND (104) receives State funding to be used by the Police for criminal justice purposes, which include the expenditures for the Police Dog, and other special projects which may include DARE programs or domestic violence programs. Property or funds confiscated during arrests are also accounted for here.

SPECIAL REVENUE FUND - TOURISM

(105) includes the restricted revenues from Hotel/Motel taxes. The Hotel/Motel taxes can only be used to provide for tourism expenses. For 2014 the City will support the third annual Kalama Blues Festival as well as the Untouchables Car Show, and other projects aimed at drawing people into Kalama.

Community Building

 113 – Community Building Operations - \$33,250 – All covered by the projected

- O 106 Community Building Reserves - \$25000 (carryover and projected revenues are only - \$14,520)
- This is for a new roof but is not fully funded and will have to be removed or covered through reserve funding
 - Propose using \$11,000 of reserve and \$14,000 from Capital Improvement Fund

community Building Funds (106 & 113) operate and maintain the Community Building for community and public use. The City is working towards the building being self-supporting for the costs of operations. The building operates on user fees and generous donations from community service clubs. It currently is leased by a church on most Sundays, and is used for providing community classes to the public. Several community organizations contribute to the reserve fund to provide for future maintenance or hold fundraisers to pay for improvements.

PARK DEVELOPMENT FUND (108) provides for the development of new parks and improvements to existing parks of the City with input from the Parks and Recreation Advisory Committee. The City is working on developing on-going recreation and educational programs as well which will be self-supporting. Park funding comes from fees placed on developments and provided to the City when homes are built on the lots.

SPECIAL REVENUE FUND - AFFORDABLE HOUSING (109) includes the restricted revenues from recording fees to be allocated to affordable expenditures. These funds are received annually from the County. The City has provided funds to the Kalama Housing Authority in the last two years.

LIBRARY FUND (110) receives the transfers from the General Fund as well as user fees, donations, and other miscellaneous fees. The Library provides more than just books. With computer and internet access, it uses modern technology to provide the citizens with access to a wide variety of services important to the community. Many volunteers work to help keep the library

operating. FOLK (Friends of the Library at Kalama) is a non-profit organization which works to help the library and promote literacy throughout the community.

DESIGNATED RESERVE FUND (115) is where each department transfers funds throughout the year to cover the annual liability and property insurance premium and annual or biannual audit costs. This has also been used to hold retainage funds for street projects until the City accepts the project once it has met all requirements.

CAPITAL IMPROVEMENT RESERVE FUND (116) receives the real estate excise taxes paid on the sales and transfers of property which is restricted by State laws to be spent only on capital improvements. No funds have been allocated to be expended in 2014.

OTHER RESERVE FUNDS are funds set up to receive funds as designated by the City to be held in reserve for future needs, including leave/benefit buy outs for employees leaving the City (Wage/Benefit Reserve Fund 107), purchase of Police Vehicles (Police Vehicle Reserve Fund 117) and a general reserve fund for emergency or special projects or needs (General Fund Reserve Fund 305).

SPECIAL REVENUE FUNDS

- 104 Criminal Justice \$8,500 Drug Dog/Policy Updates
- 107 Benefit Reserve Fund \$7000 Leave Buyouts
- 108 Parks Improvement Fund \$1200 P&R Class costs
- 109 Affordable Housing Fund \$0
- 110 Library Operations \$38,600 (5% increase)
 - 6% Increase in funding from General Fund
 - O Salary increases for staff Additional Training Funds
 - O Increase to Book Budget & Allocation for new computers
- 115 Designated Reserves \$122,000 Insurance
- 116 Capital Improvement -Real Estate Excise Tax \$0
 - Add \$14,000 for CB Roof
- 117 Police Vehicle Reserve \$0
- 305 General Fund Reserves \$0
 - Add \$10,000 for DT Economic Development Plan Match

ENTERPRISE FUNDS

Enterprise funds are those functions of the City that are required by law to function on the fees generated. Water, sewer, and garbage activities are required to be accounted for in separate enterprise funds. These funds are required to be self-supporting and are treated as totally separate from the other funds of the City. The operating fund pays administrative fees to the Finance Department to cover the costs for bill processing and other administrative support related to the utilities. The funds received from the utility fees are not available to be used for uses unrelated to water and sewer. The water and sewer connection fees are transferred in full to the reserve funds, as well as a portion of the rates for both water and sewer to be used to make loan payments and for future capital improvements of the water and sewer systems.

WATER/SEWER OPERATING FUND (401) receives the utility payments for water and sewer services and connection fees to support the operating, maintenance, and administrative costs of the water and sewer facilities. The Kalama Public Works Department operates the water treatment plant to provide clean drinking water and the wastewater treatment facilities to dispose of sewage

and waste for the community. The City Public Works Crew provides services from meter reading to the replacing of large portions of City water or sewer lines. All development plans and projects for utility services and street access are reviewed by Public Works staff working with the Planning Department to provide for future infrastructure and growth.

WATER & SEWER

Operating Revenues - \$2,178,320 including connection fees

Expenses

- Personnel Costs Salaries & Benefits
 - O Water \$347,500
 - O Sewer \$275,000
- Utility Costs \$162,000
- Project/Equipment Costs \$43,000
- Contracted Services Maintenance/Repairs/Lab/Administrative Fees/Sewer Disposal - \$263,500
- Operating Expenses-Supplies/Insurance/Training/Vehicle/ Equipment/ Communications/State Taxes/ - \$412,100
- Rate Transfers to Reserves
 - O Water \$225,000
 - O Sewer \$295,000
- Transfers to Reserves Hookup Fees
 - O Water \$75,000
 - O Sewer \$80,000

Garbage/Solid Waste

GARBAGE/SOLID WASTE FUND (402) receives the garbage portion of the utility payments to provide garbage collection services to the City. Under a contract agreement, the City keeps 15% of the fees to cover the administration and billing costs it incurs and pays the remaining funds to the contractor, Waste Control, Inc.

WATER/SEWER IMPROVEMENT RESERVE FUNDS (408 & 415) receive transfers from the Water/Sewer Operating funds including all the appropriate connection fees, and a portion of the utility bill collections. These funds are used to cover the loan payments for prior improvements to the systems including the new Water Treatment Facility in 2001 and the new Sewer Treatment Plant in 2006. Improvement and major maintenance projects on the water and sewer systems are also funded from here and may receive grant or loan funding for those projects.

OTHER WATER/SEWER RESERVE FUNDS (410,412,413) are funds held in reserve to cover purchases of new equipment (Public Works Vehicle Reserve Fund 410), funding for various improvements, required loan reserves (Sewer Loan Reserve Fund 412).

DEBT OBLIGATIONS

The following are the outstanding loans the City of Kalama has used to make improvements to the water and sewer systems, downtown streets, purchase equipment, and cover unanticipated expenditures in recent years. The loans have come from various sources including the United States Department of Agriculture-Farm Home Administration (USDA/FMHA), Public Works Trust Fund (PWTF), Washington State Department of Ecology-State Revolving Fund (DOE/SRF), and from reserve funds of the City. Balances are as of January 1, 2014 and are shown on the spreadsheet on page 24.

Capital Improvement Loans

- 1. PWTF This loan was used to improve the Cloverdale water system in 1995 to build the Jaeger Road and Agate Mountain Reservoirs. It is a 20-year loan at 1% interest. The City will pay off this loan in 2015. Original Loan \$159,490.00
- **2. PWTF** This loan was used to build the North Port Waterline through an interlocal agreement with the Port of Kalama. The Port of Kalama paid this loan off in 2013.
- 3. PWTF This loan was used to construct the City's new Water Treatment Plant in 2001. This is a 20-year loan at ½ % interest. Original Loan \$4,132,992.75
- **4. DOE/SRF** This loan was used to make improvements to the Sewer collection system on the south end of Kalama in 1999. It is a 20-year loan at 4.4% interest. Payoff is in 2019. Original Loan \$1,085,916.07
- **5. PWTF** This loan was used to design the new Wastewater Treatment Plant in 2003. It is a 20-year loan at ½% interest. Payoff is in 2022. Original Loan \$470,510.00
- **6. DOE/SRF** This loan was to construct the Wastewater Treatment Plant in 2004 through 2006 and the replacement of the downtown sewer lines in 2007 and 2008. It is a 20-year loan at 0% interest. The first payment was paid in December 2008. Payoff is in 2027. Original Loan \$5,762,166.92
- **7. Cowlitz County** This loan is for the Downtown Streetscape Project. The County provided the City with \$200,000 in funding, half grant and half loan, in 2006. The City began making annual payments on the \$100,000 in 2008. It is a 15-year loan with an interest rate of 1%.

City Interfund Loans

In 2013 the City authorized a loan from the General Fund Reserve Fund to the General Fund for the purchase of a new Police Car in the amount of \$16,000 to be repaid by 2016 at 1% interest.

CAPITAL FACILITES PLAN 2014 - 2019

The Mayor and City Council have been very conservative in planning for projects due to the outstanding debt the City has and the economic condition of the country, so as not to place any more burden on the taxpayers. Nearly all projects completed within the last two years have been funded by grants, with only a small portion of funding coming from City Reserve Funds. Purchases of new equipment or vehicles have been made when the need mandated the purchase. Transportation Improvement Board grant funding has been approved for replacement of a portion of sidewalk in the 200 Block of Elm Street which will be constructed in 2014 and the chip sealing of Military and Cloverdale Roads. A major project in 2014 will be the replacement of inside residential water meters with new radio read technology which will provide not only more efficient use of staff time in reading and billing accounts, but also detailed data that can help the City and the customers with many issues such as tracking usage and leak information.

The City has many capital projects it would like to see completed and is continually seeking funding for them. This includes the Green Mountain Reservoir replacement, replacement of additional older sewer lines, various waterline replacements and a new City Hall or complex.
