

FREE Household Hazardous Waste Turn-in

Keep your home and environment safe. Bring unwanted household hazardous products to the Cowlitz County Mobile Collection Event.

Saturday, May 4, 2024
9:00 a.m. – 1:00 p.m.

**For Cowlitz and Wahkiakum County
Residents Only**

Where: In Kalama – Kalama River Road Park n' Ride.

Bring: Pesticides, paint, thinners, solvents, motor oil, antifreeze, pool chemicals, hobby chemicals, cleaning products, toxic, corrosive, or flammable material.

Don't Bring: Material from businesses (including farms, schools, and churches), unlabeled products, empty paint cans or containers, leaking containers, items larger than 5 gallons or 50 pounds, explosives, ammunition, radioactive material, biological/infectious material, or hypodermic needles.

Limit: Volume cannot exceed 25 gallons or 200 pounds without prior approval.

- Keep material in original container
- Store material so it will not tip or spill during transport
- Don't transport material in passenger compartment of vehicle
- Don't bring children or pets
- No smoking while on site

If you cannot attend this free collection event, save your material for the next mobile event or take to the Permanent Collection Facility located at the Waste Control Transfer Station, 1150 3rd Avenue, Longview, open every Tuesday and Saturday, 9:30 a.m. – 11:30 a.m.

For more information call Waste Control, Monday through Friday, 8:00 a.m. - 4:30 p.m. at (360) 425-4302.

Sponsored by Cowlitz County Department of Public Works and the Washington State Department of Ecology. Special thanks to our volunteers from WSU Cooperative Extension Master Composter and Master Gardener Programs, and the City of Kalama.
