Special Meeting
December 20, 2018**

1. CALL TO ORDER

Chairman Don Mathison opened the meeting of the Civil Service Commission at 5:30pm. Present were Commissioners Don Mathison, Levi Morgan and Gary Finley, Police Chief Ralph Herrera, and Clerk/Treasurer Coni McMaster acting as secretary. Secretary/Examiner Krystall Marriott was absent.

2. NEW BUSINESS

Chairman Mathison recognized Police Chief Herrera. Chief Herrera requested the Commission certify a new Advanced Entry Eligibility list to add a former Officer Ken Wong. He does not meet the criteria to be placed on a lateral list since he does not have the required 2 years of continuous service, but does for the Advanced Entry list. Mr. Wong retired earlier in 2018 but has found that it is not working out as he planned and is interested in coming back to Kalama. Originally the Department didn't have an opening when the request came in, but it appears one of the officers is applying at the County and so Chief Herrera is anticipating a vacancy in the very near future. Mr. Wong was a good officer for Kalama and the Community liked him, so it would be a good fit. Another advantage is we still have all his gear and won't have to purchase anything. Commissioner Finley noted he has a neighbor that was not a fan of Officer Wong, but based on the Chief's recommendation he supports the adding of him to the list. Chairman Mathison made a motion the Commission certify the Advanced Entry Eligibility list with the one applicant of Kendrick Wong. Commissioner Morgan seconded, and the motion carried.
